ANDRE PETTERSON  
*TO AND FRO*

EXHIBITION: NOVEMBER 5 – 21, 2015

Andre Petterson  
*To and Fro*

The bashing of the senses I encounter when going to unfamiliar places never gets tired.

I'm currently working with images and thoughts of past years and travel experiences, Floaters - things that percolate and remain unresolved for a while, then emerge.

My continued fascination with typewriters and old bicycles provides me with a catalyst.

Images of carts or makeshift vehicles carrying way too much of anything catch my eye: the woman or man with a very heavy and large load of stuff on their head, determined and resigned to get that package to it's destination; the motorbike supporting a family and their belongings, clinging on while navigating traffic.

Also, intense color scattered in a grey brown landscape is visually rewarding to me.
