JOSHUA JENSEN-NAGLE

Originally from New Jersey, Joshua Jensen-Nagle moved to Toronto to pursue his artistic education at Ryerson Polytechnic Institute in 1999. Since graduating in 2003, Jensen-Nagle has experimented with various image formats, production techniques and materials. For over a decade, he has captivated the viewer with images of memories and dreams, enhanced by his large format glossy photographic prints. Currently living in Toronto and working out of his 3000 square foot studio, Jensen-Nagle works diligently as a full time artist. Having mounted over fifty exhibitions in the last ten years, he has developed a strong standing in the art world and has been collected widely throughout North America, Europe, and Asia.
