DAVID LEVENTI

David Leventi (b. 1978) grew up in Chappaqua, NY and Nantucket, MA. In 2001, he received his Bachelor of Fine Arts in Photography from Washington University in Saint Louis, Missouri. Leventi's most recently exhibited series explores the artist's passions for architecture and the arts in the form of an extensive, years-long study of opera house interiors from all over the globe. These large format photographs reveal a fascination with detail and design, density and space, all from a unique vantage point. From 2002 to 2008, Leventi assisted Robert Polidori in his studio and on international shoots as First Assistant, Studio/Archive Manager and Drum Scanner. His photographs have been widely published in TIME, Culture + Travel, Vanity Fair, T: The New York Times Style Magazine, BlackBook, Travel & Leisure, Best Life, Forbes, I.D. Magazine, New York, LIFE Magazine, Time Out New York, and Time Out New York Kids.
